

When the application is demanding, demand more from the tape.

Whether shipping medium to heavy cartons, storing contents long-term in variable temperatures or sealing highly recycled boxes, STA tapes are engineered to stay secure - so the product does too.

STA **Supreme® Heavyweight** and **High Tack Acrylic** tapes are built to perform where others may fail - delivering the consistency and reliability you can depend on.

- 100% high-performing Dow adhesive
- Holds through broad temperature ranges
- Excellent resistance to aging
- Consistent quality and performance
